Pupil Gain
May Hike
Bay Taxes

The tax levy for the municipal separate school district may have to be hiked another one-half mill in addition to the previously anticipated one mill increase as a result of information furnished City Commission Council Monday by Superintendent Joe D. McCullough. An unexpected increase in enrollment will necessitate an additional two teachers not provided for when the school budget was adopted in July. Current white enrollment was given as 1,004, up from 947 at opening of school, and 535 Negroes, up from 498.

The Chamber of Commerce board of directors at Monday's meeting voted for President Ray Gordon to request local, state and fraternal organizations to write a letter to the Louisville and Nashville Railroad suggesting the advisability of a stop at the Michoud plant by trains 9 and 12, the commuters. In a few months it is expected that employment there will be large and many of the employees may live in the Bay-Waveland area and commute to work.

Rev. Dale Lyons delivered a farewell sermon to reluctant-to-leave members of the Clearmont, Lakeshore and Waveland Churches Sunday night. He has answered a call to Ball, La., near Alexandria, where our loss will be their gain. He is accompanied by his new charge by his grandmother, Mrs. Carrie Ware, who presides over his household. On a more joyous note greetings are extended to a former minister of the church, Rev. John Bonner, who celebrates his birthday Sept. 24. Cake and Candles to the Reverend. Mrs. F. O. McCoy is busy with her famous peanut butter cookies to serve at Fellowship Hall coffee hour Friday night.

Beginning Sept. 24, Rev. Father M. J. Costello announces mass will be said at Clearmont St. Ann's Catholic Church at 8:30 a.m.

Highlights of the afternoon seemed to be the presence of Mrs. Orion Hankins, who was able to attend for the first time since their serious accident two years ago. She looked fine and was "feeling great," she said. Mary Rousseau's eye trouble has improved greatly also, which is good news.

A welcome is extended to Mr. and Mrs. Alfred L. Cruise and children of Metairie who are remodeling the home they recently bought in the 500 block of Bordages St.

Also a welcome home is extended to Mrs. Frank Klein who underwent major surgery in Gulfport Memorial Hospital and returned home this week.

Bay Shower: Mesdames Lee Klein, Robert Perkins, George Raminik and Alvin Loder were hostesses Sunday afternoon at Loder's Lounge in honor of Mrs. Russell Barrie. The hostesses' gift of a car bed was filled to overflowing with other lovely gifts. The pink and blue color scheme was carried out with a pink and white cake centered with the traditional stork motif.

They Grow Up Fast

It seems no time since the Roos family with their young sons returned to live in New Orleans. Now find young Gene is instructor of the art of judo on Saturday afternoons, teaching all who care to learn—free—at the Lyons Center. He has won many belts in exhibition matches throughout the South and West.

Absent-minded professor? No, this is for real—young Berlyn Wayne Hazlett laid his brief case containing papers covering work done at Keesler Field on top of his car while talking to a friend, forgot it, got in the car, slammed the door and roared off. The brief case? Pool, it was g.w.t.w; we hope it has been returned by now.

Taxes

Paying for the cost of government, whether local, state or national, is a sore point with most of us. Somehow we just don't like to pay taxes even though we want better roads, better schools, better fire protection, etc., etc. Frequently, even, we have noticed those complaining loudest about taxes complaining loudest at the lack of some public facility they want.

In any event, the county levy stays the same for another year and, while it has not set a levy yet, it appears that Waveland's levy will remain the same as last year.

What Bay St. Louis may be forced to do is another thing. Council has indicated that it is unlikely to increase the levy for its general fund, but a bond issue maturing next year has a final payment larger than the annual ones and an increase in the levy for these bonds is likely. This increase would apply only to Bay St. Louis residents.

The levy for operation of the Municipal Separate School District, which is paid by reside, is of the city, Waveland and the Outside Area, seems certain to be increased. Mainly this results from increasingly large enrollments.

In any event it is not because of excessive spending by our school system. After all even with the highest millage likely, the system will still be operating on only 80 per cent of the millage state law permits.

Back 'Em Up

With football season underway and the American and National League titles sewed up only the World Series is left to compete with football for sports fans.

In our county we have three white and one Negro high school teams. Boy High has already started with a satisfactory 20-12 win over Pass Christian, while North Central dropped its opener 33-0 to Ocean Springs. What success St. Stanislaus will have in its opener tomorrow night we can only guess.

North Central operates at a disadvantage in comparison with the other two teams. This is only the third season the school has played football and the students have not had the prior pre-high school experience in this sport they have had in basketball. In addition, because of transportation difficulties to and from school their practice time is very limited, last year being only 40 minutes a day.

Irrespective of the quality of their teams, and Boy High had the only winning one last year, all four teams should receive local support.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS A. CRANE, PH.D.
MEMBER, BIBLE SOCIETY
CHICAGO 23, ILLINOIS

THE LOVE OF GOD

Millions of people — even religious people — are afraid of God. They are struggling to earn His love. They suppose that calvary is the reward of abject love to Him.

Really they would believe what He Himself says: that if we are loved it will be entirely because HE LOVED US and graciously provided for our salvation.

As Apostle Paul, in the Bible, says: "THE GOD OF LOVE" (II Cor. 13:11) and John says that "GOD IS LOVE" (I John 4:8). Thus John goes on to say:

"GOD IS LOVE. NOT THAT WE LOVED GOD, BUT THAT HE LOVED US and sent His only Son to die for us, so that we should not sin, but have life in Him." (I John 4:10).

"... GOD COMMENDETH HIS LOVE TOWARD US, IN THAT WHILE WE WERE YET SINNERS CHRIST DIED FOR US."

THE AMERICAN WAY

Depends On Who Does the Fixing.

As Other See It (PASCAGOULA CHRONICAL-STAR) Yeah, Smith! Fight, fight, fight!

We do not know Ole Miss athletic director Tad Smith. We have seen him only once, while listening to him deliver an ungrammatical speech before a football fan audience. But, unpolished or not, we do not believe him deserving of the journalistic keel-hauling he received last week.

Smith was accused by the Jackson Daily News of telling a Memphis newspaper that he wished the Ole Miss-Arkansas football game could be played in Memphis instead of in the new stadium at Jackson.

Judging by the romancandle reaction this produced from the Jackson Daily News, you might have thought Smith had come out in opposition to Southern woman-

hood and our glorious pellagrous way of life.

You see, Jackson has a new stadium and is understandably tender on the subject of its blooming importance as a center of sport, as well as of the arts and Rankin County booze. Any one who dares slight this emerging sense of superiority does so at the risk of his health and, in Smith's case, his job.

Jackson had copped the big game for its stadium, had grabbed it away from Memphis. Let all men tremble. Let no man deny it. And poor old Smith ran afoul of this spirit. Patting Memphis on the back, consoling the loser, he probably did no more than mutter a few words about wish it could

have been you, old man, but that's the way it goes...

Smith, in other words, was being a good guy, offering condolences; he was not expressing a subversive desire to kidnap Jackson's ball game and sneak it off to the Tennessee metropolis.

But they hit him like a traitor and a curseful furor buffeted about his head. It was thought for a time that Daily News editor Jimmy Ward would strangle on his wrath.

Which makes us wonder what would be in store for the tens of thousands of Ole Miss fans on the Coast if they proposed, as we do now, that the very best place for Ole Miss to play the game in neither Jackson nor Memphis, but Mobile.

Donations Grow To Fund for David Paulk

Donations already are coming in for little David Paulk who is recuperating from the loss of his right forearm and severe leg lacerations suffered when he was injured by a bush hog on a mowing machine at Waveland School Sept. 8, according to Miss Mary Perkins, principal.

The school children collected a total of \$13.88 from their allowances. Employees at Jims-Jungle gave \$15.10 from their pay checks on Saturday and Joseph Schaff, store owner, presented Miss Perkins with a check for \$10, while \$3. was a gift from a summer resident, Mrs. Lela of New Orleans.

Anyone wishing to contribute may bring the money to Miss Perkins at the Waveland School, or contact either Delmer Wilson in Waveland or Justice of the Peace Nelson Rhodes in Bay St. Louis.

Get well wishes to George Lusich who has been in Hancock General for a week. Little David Paul is doing fine and taking the loss of his right hand way better than some of us older folks would. Fortunately, David is a good swimmer (left handed) so he will be able to resume his school work without too much difficulty.

Mrs. Ben Green and her Saturday guests, Mr. and Mrs. Cecil Robinson of Gulfport, spent the better part of the day visiting Mrs. Green's sister, Mrs. Joe Garcia, who is a patient at Gulfview Haven.

Gulfview faculty members Mrs. Kenneth McCarty, Mrs. Margaret Varnell, Luke Caruso and Miss Gertrude Perkins, motored to Keester Field in Biloxi Monday to register for graduate work in the branch of Miss Southern College there.

Harry Hears... Grid Games On the Coast

The St. Stanislaus Rockchaws open their 1961 football season this week in Bay St. Louis, while North Central and Bay High both hit the road for the second straight week.

The Rocks play St. Francis de Sales of Houma at St. Stanislaus Stadium. Last week St. Francis dropped a 7-0 loss to the Thibodaux Tigers.

St. Stanislaus' roster this season includes nine seniors, 18 juniors, five sophomores and two freshmen. The Rocks are expected to field a good team this year and it looks like next year's squad won't be too bad either.

Watch Marchive and Touns

Two of the top SSC players to watch are fullback Sterling Ling Marchive and tackle Alcide Touns, two of the stars in last week's game.

Bay High, after a 20-12 win over Pass Christian last week, travels to Carriere to face the Pearl River Central Blue Devils in a non-conference affair.

The Tigers came out of the Pass High game pretty well with only minor injuries suffered. Fullback Bobby Van Calsem displayed the powerful running ability which should earn him a spot on the conference all-star team, making good yardage over center and around the ends. Although last week, we described Van Calsem as "not big", he isn't big in appearance but he does tip the scales at about 190 pounds.

Pearl River Central has an 8-2 record, losing 13-0 to Poplarville two weeks ago and dropping a 19-7 decision to Gulfport's B-team last Thursday night in Carriere.

Bay High's inexperienced line held up well Friday night at Pass Christian, except for one or two spots, and it should improve this week. There are only two seniors in the starting line and neither one was a starter last season.

Hawks Have Tough Luck

North Central ran into rough opposition in their first game Friday night, but from what we understand, had a couple of breaks gone the other way, the score would not have been as one-sided as it appeared.

Ocean Springs has a 2-0 record now for the season. They won an upset victory over Notre Dame two weeks ago. The Greyhounds have a good quarterback in David Beauge and must be rated a top contender for the Gulf Coast Conference championship.

The Hawks this week face a little less-powerful team in St. John's. The Gulfport team lost 19-0 two weeks ago to Perkinston and were slaughtered 40-7 by Long Beach last week. Although not a member of the Gulf Coast Conference, they are playing a conference team for the third straight week.

Game of the Week

Probably the biggest game on the coast this week, high school-wise, is the Gulf Coast Conference contest between Long Beach and Ocean Springs this Friday night at Freedom Field in Ocean Springs. The Greyhounds are good but Long Beach is loaded, and with more experience, the Bears are our pick to win. Most people figure the winner of this game will go on to win the conference title, but the Tigers of Bay High, the defending champs, are not to be counted out.

That Poor Yankee Pitching

At the beginning of the 1961 baseball season, many people were pessimistic about New York's chances for a pennant because of one factor: the "poor Yankee pitching staff". Well, if the Yankee have a poor mound crew, we wouldn't want to bat against a good one.

Whitey Ford is the best pitcher in the American League. He always has won the most important games - now he wins the less important ones too. Ralph Terry, we consider the most underrated pitcher in the game. Terry wins game after game, and he pitches good in every contest. He allows less than one walk per game, also. Roland Sheldon, if it weren't for the Boston rookie Don Schwall who has won 15 games, would get our vote for rookie-of-the-year in the A. L. Bill Stafford has won 10 or 11 games for the Yankees and has a very low earned-run-average. And on top of all this, there's Luis Arroyo. Arroyo, a major league castoff before coming to New York last year, leads the team and the league in E.R.A. percentage, and has a 14-3 record exclusively in relief.

This is the best pitching staff in the major leagues today; it's the best since we've been interested in baseball - or at least back as far as the Bob Lemon - Bob Feller - Mike Garcia - Early Wynn - Ray Narleski - Don Mossi "Big Six" that led Cleveland to a 1954 pennant.

SEC Opens Play

College grid teams in the Southeastern Conference open their 1961 seasons Saturday, or at least nine of the 12 teams do. Georgia Tech plays Friday night and Tennessee and Auburn start the following week.

LSU is our pick to win the SEC crown this season, although most writers are going with Alabama's Crimson Tide and their easier schedule; one which doesn't include games with either LSU or Ole Miss.

The Tigers this week face the Rice Owls in Houston in what figures to be a real close game, with the Tigers coming out on top by maybe a touchdown or field goal. Alabama plays Georgia in Athens, Ga., and should also emerge victorious. Ole Miss has a toughie in Arkansas and we've a hunch this is the year the Razorbacks will upset the Rebs.

Harry Forecasts

In other games involving Southeastern Conference clubs, Mississippi State should open its season with a win over Texas Tech; Florida will lose by a TD or two to the Clemson Tigers; Miami of Florida will bounce back from an opening game loss to Pittsburgh last week and upset Kentucky; Georgia Tech is our pick over Southern California in a close one; Tulane, also a visitor to the West Coast, will down Stanford, and the Vanderbilt Commodores get the nod over West Virginia. (EDITOR'S NOTE - We'll check you on this Saturday night.)

Side Bars

Rita and Eddie Blaize picked up 18 bull crockers and a drum weighing four pounds, six ounces on the shell pile at the American Legion last Wednesday.

The Clinton Junior Chamber of Commerce has announced plans to hold the first annual Mississippi Bowl Football Game Dec. 1 in Jackson. The game will bring together two of Mississippi's top high school grid teams. Plans are for the game to be at Newell Field, but the possibility exists the site will be changed to Hinds County Memorial Stadium. This seems like a good attraction, but unless we're mistaken, Biloxi annually stages its Shrimp Bowl game Dec. 1 with two top state teams playing, and this game definitely would take away from the Shrimp Bowl, both in participants and fans.

James Austin, son Jimmy, and daughter Sylvia, snagged 37 speckled trout last week, fishing in the bay near the train bridge.

Christ School P-TA Meeting Is Tuesday

Little Tigers Romp 33-0 Over St. John

Bay High's junior varsity Tigers opened their 1961 football season with a rousing 33-0 win over St. Martin Tuesday night in Biloxi.

The accurate passing of quarterback Leroy Luke and the running of fullback Stanley Birch and Johnny Penton led the Tigers to victory.

Penton scored four touchdowns to account for 24 of the 33 points. Birch scored eight, including a touchdown and two extra points.

The Junior Tigers enjoyed a 13-0 lead at halftime.

Tonight Bay High journeys to Poycune to face the always-tough Poycune Moroon Tide JV. Poycune will be opening their season with the game. The Tide has a line averaging about 135 pounds and a backfield which includes returnees from last season.

Doctor Called, Administrator Misses Duty

One local physician is slated to go on active duty Oct. 1 with the 305th Field Hospital unit out of Gulfport while the administrator of Hancock General Hospital, attached to the same unit, missed by a hair's breadth of being back in khaki.

Dr. R. L. McKinley of Waveland, who practiced medicine here until last fall when he accepted a residency in psychiatry at the Veterans Administration Hospital at Gulfport, is assigned to the 305th and is due to join it on active duty.

Thomas O. Logue, the hospital administrator, is attached to the unit as an administrative officer with the rank of captain in the Army Reserve, but is not on the call list at this time.

WITH THE WILDCATS - Ronnie Artigues, left, 115-pound halfback, and Woody Allison, 167-pound center, both from Bay St. Louis, are now seeing action with Pearl River Junior College's Wildcats who will take on the powerful Northwest Junior College Rangers at Poplarville Saturday night.

Bay High students Richard Schaefer, Gautier Mayfield, and Bob McCutcheon are among those trying their luck at dove hunting since the season began. The three brought down a half-dozen off the Kiln road one day.

Local football fans fortunate enough to get either WVUE - Channel 13, or WEAR - Channel 3 on their televisions will be interested to know ABC will televise the Ole Miss-Arkansas game this week from Jackson with pre-game activities to start at 2 p.m.

Tigers Storm From Behind to Beat Pass

Coming from behind on two different occasions, the Bay High Tigers started their 1961 football campaign on a successful note with a 20-12 victory over a fired-up Pass Christian 11.

Fullback Bobby Van Calsem led the Bengal comeback, carrying the ball 25 times and averaging about six yards per carry, while quarterback Ronnie Peterson scored the first two Tiger touchdowns to head the scoring attack.

The Pirates started fast, scoring the first time they had their hands on the ball. Pass High returned the opening kickoff to their own 44-yard line. Halfback David Foy ran for gains of six, three and two yards in the drive, and then caught a 35 yard pass from quarterback Jimmy Benigno for the game's first six-pointer. After a penalty set the extra point attempt five yards back, the Pirates were unsuccessful in making the PAT.

The Tigers were stalled without getting a first down when they took over. Van Calsem gained one yard up the middle, halfback Morris Lizana gained four yards, and quarterback Ronnie Peterson swept end for three yards, but the Tigers got abreast when the Pirates were charged with roughing the kicker on a Bay High punt.

After a short gain, Van Calsem broke loose for 19 yards to the Pirate 24, but after Bay High reached the 19, Pass High took over on downs. Foy gained the Pirates a first down on runs of six and four yards, but the Tigers held, and then started a touchdown march of their own.

Peterson and Van Calsem made the big gains in the drive, and Peterson accounted for the

six points on a four-yard plunge midway into the second period. Van Calsem drove over for the extra point, and the Tigers claimed a 7-6 lead.

Bay High took the second-half kickoff with Van Calsem running it back from his own 20 to the 39. The stocky fullback then picked up 13 yards and a first down on the next play, before the Tiger attack bogged down. The Pirates then got a big break when a bad snap from center on a fourth-down kick resulted in Pass High taking the ball on the Tiger 42.

Eight plays later, fullback Edward Fournier went six yards for the score, and the Pirates led 12-7. A 13-yard carry by quarterback Benigno and an eight yard jump by Foy set up the score. Again, the extra point was missed.

The Tigers lost no time catching up, moving 70 yards in ten

plays to score. The big gainer was on a pass interference call against the Pirates, but two good runs by reserve halfback Corky Schindler also helped setup the score. Peterson ran around his own right end for the final 18 yards and paydirt.

In the fourth quarter, Bay High drove to within striking distance in Pass Christian territory on runs of 20 and six yards by Peterson, and gains of five, five, and three yards by Van Calsem. Two illegal procedure penalties halted the drive, and an interception by Foy gave the Pirates the ball.

Junior lineman Teddo Thomas, on the Pirates' first play from scrimmage, then pulled off his second interception of the night, reaching high in the air to grasp a Benigno aerial, and ran it back to the Pirate 30. Van Calsem ran nine yards to the 21 on the first play, bulled

his way for seven more to the 14 on the next, and Peterson went 10 yards around end to the four-yard line. Two plays later, Van Calsem went over from the one for the score. Morris Lizana added the extra point around left end. The game ended on the next play.

Both teams had touchdowns

Greyhounds Win

Mr. Necaise Stars for Hawk Offense

Ocean Springs' Greyhounds built up a 20-0 lead in the first half and coasted to a 33-0 win over the North Central Hawks Friday night in Ocean Springs' Gulf Coast Conference game.

The Hawks' major nemesis was passing, as the Greyhounds scored three punts, all of which went for scores. The game's first touchdown was a result of a blocked punt on the Hawk 13 in the first quarter. The Greyhounds added two more touchdowns in the second quarter and made their final two scores in the third period.

Starting for Ocean Springs' quarterback David Beaugez scored the first two touchdowns on runs of nine and 23 yards, passed 40 yards for a

third, and kicked three extra points from placement. North Central threatened several times but couldn't reach paydirt. Halfback Junior Necaise was the Hawks' leading ground gainer and snagged two or three passes for good yardage. Richard Hill was the standout performer in the line.

The Hawks were hurt in the game when linemen Ronnie Fletcher and Lionel Hoda were injured. Fletcher is expected to be back in action this week for the Hawks, but Hoda will probably be out about three weeks.

North Central, now sporting an 0-1 record for the season, meets St. John's in Gulfport Friday night in a non-conference engagement. Coach Claude Renfro says he expects his boys to play a much better game against St. John's.

Who else but the builder of those front-running Wide-Track Pontiacs could bring out a car so freshly and finely styled! It's longer, with a crisp, low silhouette. It's distinctly Pontiac, with a new twin-scoop grille you can recognize a block away. Powered by the potent Trophy V-8, with 215 to 348 h.p. Beautifully poised on Pontiac's famous Wide-Track stance. We've even cut the turning radius as much as 3½ feet to make handling easier. The result is a pride-pleasing new version of America's Number One Road Car. Come on in—and let a Pontiac show you its stuff while it's showing you off!

The '62 Wide-Tracks are here!

Minstrel Show Scheduled by Gulfview P-TA

Final plans for the D. H. Holmes minstrel show appearance Saturday, Sept. 30, at Gulfview School were completed when the school's Parent-Teacher Assn. held its first meeting of the year Monday night.

Mrs. Margaret Varnell, third and fourth grade teacher, is in charge of the program. The event will begin at 7:30 p.m. with tickets being 50 cents for adults and 25 cents for children.

Oren Seal, principal, was welcomed back to Gulfview and spoke briefly on the new classrooms being built. He was presented with a check for \$150 to purchase balls and other small athletic equipment.

Ernest Cuevas presided and Mrs. Fred Johnston gave the invocation.

Fred Johnston, scoutmaster for Gulfview Boy Scout Troop 212, spoke on the camporee this weekend at the Ted Stechmann place and urged parents to attend and inspect equipment purchased with proceeds from the recent fish fry.

Members of the troop are to register at the school by 5:30 p.m. Friday to attend the camporee.

The project is the first of its kind within the state designed to control and conserve the natural water supply.

The program will include a tour to points of specific interest in the watershed. Other items of interest will be discussed by officials of the program, assisted by local farmers and county agricultural workers.

Bay High's inexperienced line held up pretty well, as Thomas, Bill Pahlman and Tim Fagan, all juniors, spearheaded the defense.
